

Alumwellies

Spring 1

Lunar New Year

At the end of January we celebrated Lunar New Year: this year, it is the year of snake! We enjoyed R and R production, we had a chance to explore traditional items such as Chinese fans, streamers and dragon heads for dancing.

Lunar New Year

Being inspired by the dragon heads and streamers we made our own group dragon head and streamers. We enjoyed dancing to traditional music using our streamers. At the end of the week we enjoyed tasting noodles using chopsticks and forks.

Cooking

Children enjoyed baking heart shaped cookies to celebrate valentines day. We learnt how to weigh the ingredients and then mix them to make a dough. We enjoyed rolling the dough to cut out heart shape cookies.

Physical Development Outside

We have been developing our physical skills. We completed the obstacle course by walking on the stepping stones then walk on the bridge before jumping on the number tiles. We love riding bikes under the canopy.
We also enjoyed painting and drawing outside whilst developing our shoulder muscles.

World Book Day

Children came dressed in their favourite character outfits. Princesses and super hero's were the most popular.

Exploring Inside

We enjoyed exploring the inside environment. We enjoyed painting, playing with playdough, being imaginative and playing with cause and effect toys
