Take a look at our activities that will enable you to create low-cost fun crafts for the whole

family at home.

You will need:

2 x empty toilet/kitchen towel rolls

Long lengths of wool or string

Paint and other decorations

Step 1:

Wrap the wool string around the 2 cardboard rolls

Paint/colour or stick to decorate to your fancy

Decorate how you wish

Make Your Own Telescope

This could help you spot any Sharks, especially if you have the story of 'Shark In The Park' You will need:

2x kitchen roll tubes

Paint

Scissors

Step 1:

Cut one of the tubes all the way down length ways so that you can curl it to fit inside the other tube.

Step 2:

Paint both tubes which ever colour you like, even make a pattern on it, leave to dry.

Step 3:

Now curl the cut tube and place inside the other tube, you can now make your telescope long or short, have a look around with it, what can you see?

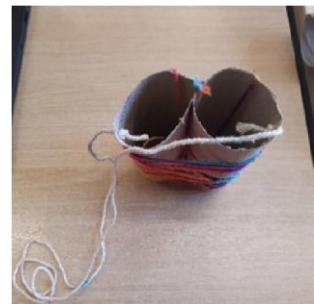

Step 2:

Tie a long enough string to one side of the binoculars, by making a little hole using a pen etc to each side, then knot on the inside

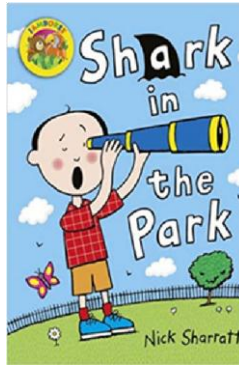

Step 3:

Go outside and start bird watching!

Use your telescope whilst reading the story, Shark in the Park.

Is it a shark that Timothy sees?
