

BLUE GROUP AUTUMN 2

What a busy term, the children have had lots of new learning experiences, developing new skills, and continuing to develop their own independent play.

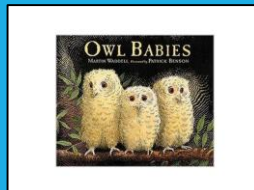

Blue groups Car wash service using their own independent play making tickets and money

The children have been doing a great job using the tools to tidy the garden and developing their gross motor skills

Learning about Owls by introducing stories within their play Owl Babies was one of our favourites.

Lots of Autumn activities have been happening in Blue group. We have been experimenting with potion making, using remote control toys to create opportunities to think, develop co-ordination and introduce new language. Also using mark making activities to be creative. The group have also learnt new maths words this term through their play and were able to use this in other activities.

Lots of new activities to engage the learning indoors and outside beginning to count objects without counting, and saying words like more, lots, or same.

Spreading the tomato puree

Cutting peppers

Grating the cubes of cheese

Sprinkling the cheese

Pizza Making

Using different utensils to make our pizzas, we did some spreading, cutting, grating and sprinkling with our variety of ingredients to make our YUMMY pizzas.

**Ready
Steady
Pedal...**

*Laps around the playground to race
against the clock ...How much money
did we raise?*

*Learning how to dance to Diwali music.
Enjoying the rhythm, beat and tempo of
the music.*

*Developing ways to manipulate our
movements in lots of different ways to
the sounds.*

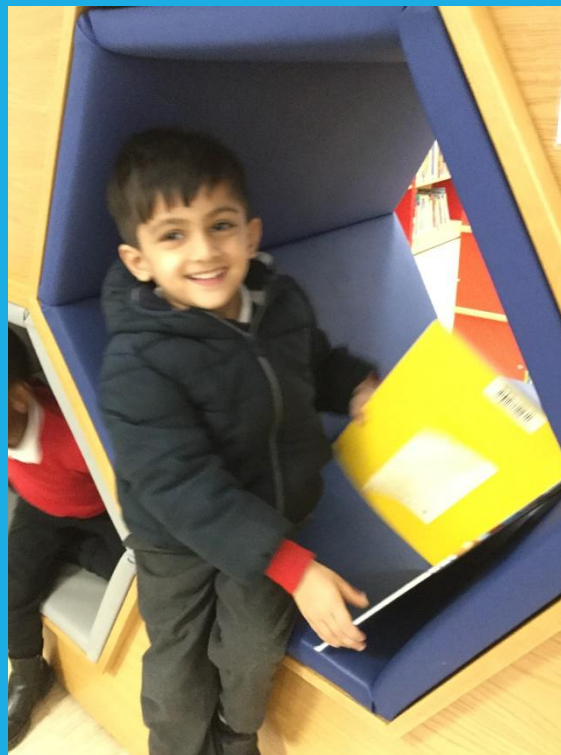

Helping to raise money for Children in Need

Activities included making our very own Pudsey head bands, finger painting, and selfies in the pudsey photo booth

We had a visit out to the local library with our friends and parents

Learning about books

How to choose and take home new books to read with the family. How to look after them and handle with care turning each page, looking for the characters and being able to talk about stories.
