Bike Ride

Walsall
Libraries

We visited Walsall Library with our parents for a story session. We registered with the library so we could choose books to take home.

We completed a sponsored bike ride around our school track. We shared bikes and cars and stayed on the road track. Well done everyone.

This term we have started brushing our teeth every day after snack time and we say 'nice and clean' for the tooth brush register. We are enjoying this. We have also been making animal homes using bricks and natural materials and we continued independently with larger bricks the next day. Outside we planted daffodil bulbs ready for spring time next year and we explored our shadows on a sunny day.
