

The background of the slide is a soft-focus image of autumn leaves in shades of yellow, orange, and red. The leaves are scattered across the frame, with some in sharp focus at the top and others blurred in the background, creating a warm and seasonal atmosphere.

Walsall
Libraries

We visited Walsall Library with our parents for a story session. We registered with the library so we could choose books to take home.

We completed a sponsored bike ride around our school track. We shared bikes and cars and stayed on the road track. Well done everyone.

This term we have started brushing our teeth every day after snack time and we say 'Nice and clean' for the tooth brush register. We are enjoying brushing.

We have also been making animal homes using bricks and natural materials and we continued to make animal homes independently with larger bricks. Outside we planted daffodil bulbs ready for spring time next year and we practiced crossing the road safely on the zebra crossing.
