

Green group have a lovely time exploring pumpkins

We feel them and learn new words to describe them. Then cut them open to see what they look like inside. The children were fascinated to scoop out the inside and were surprised to find so many pumpkin seeds.

The children scoop out all the seeds and wash them.

Using some pumpkin seeds to make potions in the cauldron

Green group learn how to hammer golf tees into a pumpkin safely wearing goggles . Using tools for a purpose.

Melting chocolate

Dipping the breadstick in melted chocolate and then sprinkles

Learning about keeping safe on Bonfire night .

We sing the rhyme 10 little fireworks standing in a row and make our own edible sparkler fireworks.

Sponsored
Bike ride

PIC•COLLAGE

PIC•COLLAGE
