

WELCOME BACK TO A NEW TERM AND 2026

What a way to start the New Year with experimenting different activities in the SNOW...

"Its cold" said Maryam

"We're digging" said Corbin

"The spoon is stuck" said Stavros

Working with Mrs Claire the Artist using puffy clay.

Lots of language used, "its stretchy", "long when I pull it", "squashy", "soft".

Learning about 2D shapes and extending our knowledge to 3D shapes by making a large scale model.

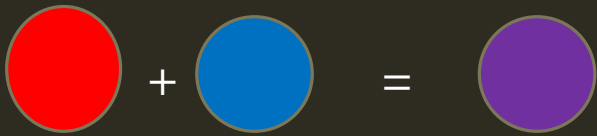

We even experimented with how to mix our own colours....

Our Creative Artwork

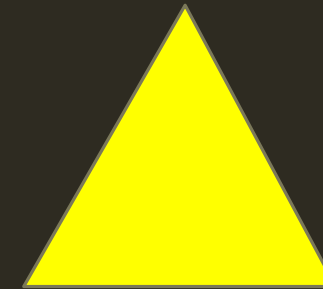

The children found that if a brush mixed into a different pot it changed its colour..

Please come and look at our work it is displayed in nursery

From 2D shapes to learning about 3D shapes. We joined this together to make a large model

Cooking with Mrs Kim

Blue group made biscuits based on our story The Three Little Pigs. The children decided if their little pig was from a straw house, a stick house or a brick house.

They developed various skills whilst baking their biscuits.
