

Yellow Afternoon Group

Hello
Spring

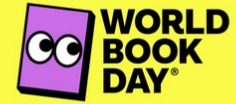

Term 2

We enjoyed the story of The Three Billy Goats Gruff. We named the characters, counted 1 to 3 and added 1 more to make 4. We named positions, over and under and talked about events. We explored these through play and used phrases we had learnt from the story. We made dough Trolls and Billy goats and made bridges with blocks and natural materials. We explored and planted grass seed and watched it grow, then we cut the long grass with scissors. Now it is short grass.

"Who's that on my bridge, I will eat you."

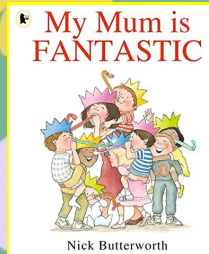

Thursday 5th March

We celebrated Mother's Day by making cards, drawing pictures, talking about our mum's and we read a story and sang a song.

In October we planted Daffodil bulbs so they would be ready for mother's day.

They look great.
