

The eggs arrive and start to hatch.
We wondered what will hatch out.
“Wow! Ducklings”

Green Group have been working with John the artist and story teller. Together we tell the story about

"The Three Billy Goats Gruff"

John is the big bad troll who lives under the bridge.

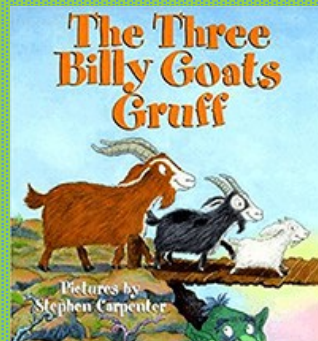

Making the river

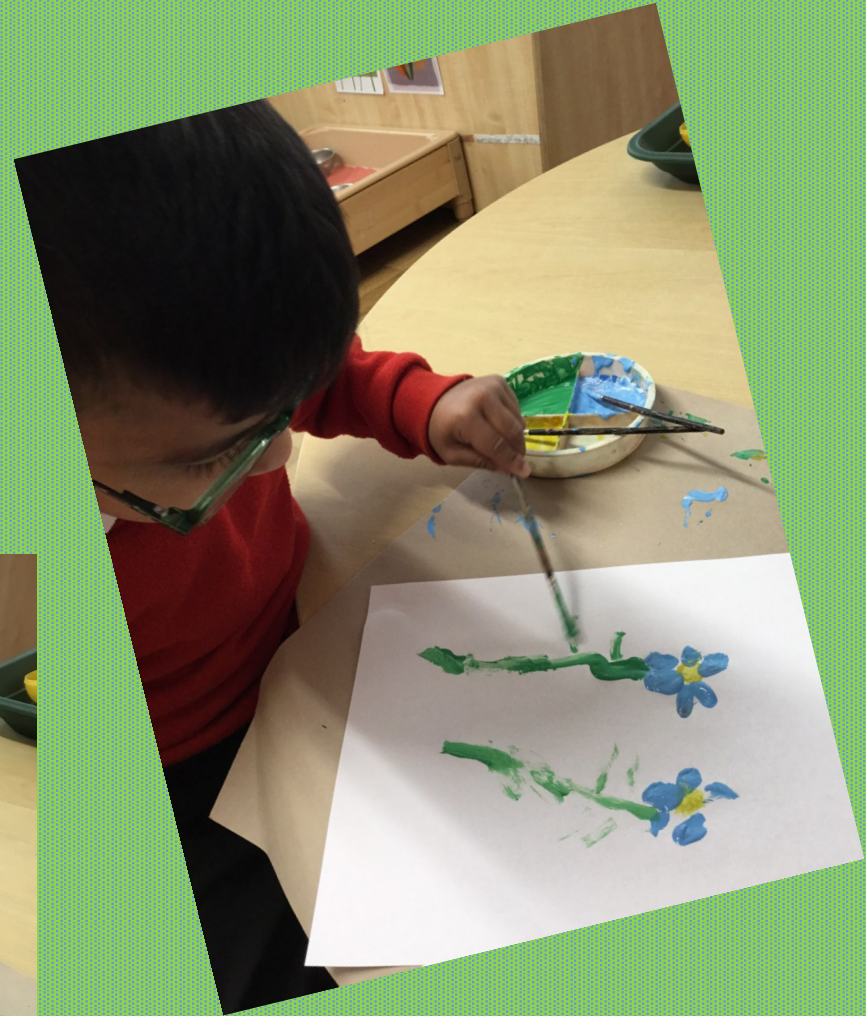

Building the bridge

The children laugh and enjoy creating the story so much. They recall parts from the story and role play being the Billy goats trying to cross the bridge.
