

# This term in nursery we will be learning about...

## New life, new beginnings

### We will be noticing:

- Changes in the weather and growing plants
- Learning new words– Spring time, growing and growth, warmer weather, sunshine,
- New life –animal babies , nest, eggs, animal families, caring and loving.

## Celebrations

### We will be celebrating:

- |                   |                 |               |
|-------------------|-----------------|---------------|
| • St David's Day  | *Holi           | *Red Nose Day |
| • St Patricks Day | * Easter        | *Baisakhi     |
| • Mother's Day    | *World Book Day |               |

### We will be reading:

- |                    |                    |                   |
|--------------------|--------------------|-------------------|
| I Love my Mum      | Spots first Easter | Jaspers beanstalk |
| Owl Babies         | Monkey puzzle      |                   |
| Mole and baby bird | The tiny seed      |                   |

## **We will also be learning:**

- \* Feelings of love and worry- talk about how I'm feeling
- \* Talking about special people in my life- my family
- \* Begin to hear rhyming words in stories and rhymes
- \* Listen to others conversations with interest
- \* Develop more pen control to write my name or recognisable letters
- \* Completing puzzles and number games-turn taking
- \* Explore the natural world- can talk about some things they have seen or found
- \* Explore different materials -manipulate, play, create and change to develop their own ideas.
- \* Learn new songs and rhymes with different rhythms and beats and use instruments to express their feelings.
