

# This term in nursery we will be learning about...

## Journeys

### We will be noticing and talking about;

- I can name and talk about features that are different to where I live and different ways to travel.
- Keeping healthy and safe– Sun safe and oral hygiene
- Talk about change and sequence– caterpillar to butterfly and stories.

## Celebrations, visitors and trips

### We will be celebrating:

- \*Mud Day \*Beach Day
- \*School Council
- \*Leavers Garden Party \*Summer Concert

### Visitors:

- \*Ice Cream Van
- \*African Drumming

### Visit Out:

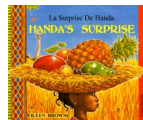

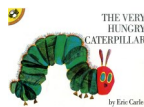

- \*Transition Visits

### We will be reading:

Whatever next

Handa's Surprise

Hungry caterpillar

## **We will also be learning:**

- \* Building relationships- Seek out others to share experiences
- \* Show confidence to ask in asking for help and asking questions
- \* Begin to write own name and start to form letters correctly
- \* Can talk about home, family and community and differences.
- \* Team work, working together to move large items safely.
- \* Use lines to enclose a space and begin to represent objects
- \* Begin to have an understanding of rhyming and initial letter sounds.
- \* Recite numbers 1-10 and begin to name and recognise numbers
- \* Use different materials to build and create and know that tools have a purpose
- \* Use talk to organise, sequence and clarify thinking.
- \* Recognise and name shapes and use them for building/constructing
